Spring Kick-Off Brunch

Spring will be coming in like a Lion this year, but it is guaranteed to go out like a Lamb, as those of us living in Georgia already know. To celebrate, the kind folks from Direcpath will be having a brunch at the clubhouse on **March 6th at 11:00 a.m.** They will also be here to answer any questions you may have about your Direcpath service. Bring your appetites and join us for some fun and goodies to welcome in spring!!

Discover Scuba Diving Experience

Have you ever wondered what it's like to breathe underwater? If you want to find out but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving will let you try scuba to see if you like it. Aquatic Sports will be offering this program in our pool in April. Under the instruction of a Professional, you will learn what wearing scuba equipment feels like and how easy it is to move around underwater while wearing it. But the main thing you will learn is that you really can breathe underwater and whether you will like doing that or not. You will learn some basic skills and safety rules that will carry over to your full scuba certification course when you take the next step. All basic scuba gear will be included. All you will need is your willingness and undivided attention. You must be at least 10 years old to take the course, which will only cost \$35. Should you choose to continue the course; the \$35 will be credited toward the next class' rate. Call Sue @ 678-714-9333 or email me so we can get a head count of who may be interested.
