Resident Satisfaction Survey

It's about that time again! During the month of March, you will receive a link to our annual resident satisfaction survey via email, so it's important that we have your correct email address on file so that you are able to participate in our survey. We will be making calls in the next few weeks to those residents who do not have an email on file. This is your opportunity to have your voice heard by letting the office, maintenance and company know how your living experience has been with AMLI at Milton Park. We encourage all of you to participate and look forward to receiving your feedback.
