Valentine's Day Fun Facts

- Valentine's Day originates from a celebration on February 14th in fifth-century Rome that paid tribute to a Catholic Bishop named St. Valentine. The holiday originally had nothing to do with lovers. Charles, the Duke of Orleans, France, sent the first "valentine" to his wife while he was imprisoned in London in 1415.
- Over 1 billion Valentine cards are sent in the U.S. each year.
- In the Middle Ages, men and women drew names from a bowl to find out who their valentine would be and put that name on their sleeves for a week. This custom led to the popular phrase, "wear your heart on your sleeve."
- Worldwide, over 50 million roses are given for Valentine's Day each year.
- Men buy most of the millions of boxes of candy and bouquets of flowers given on Valentine's Day.
- People who were married on Valentine's Day: Diane Ladd, Sharon Stone, Prince Roseanne, Jerry Garcia, Harold Robbins, Meg Ryan, Dennis Quaid and Elton John
- People born on Valentine's Day: Hugh Downs, Florence Henderson, Carl Bernstein, Gregory Hines, Ken Wahl and Meg Tilly

February Resident Activity

Join us in the Clubhouse on **February 10th from 6:30 - 9:30 pm** to get a sun kissed glow for your Valentines night out! We will have a professional technician on hand to perform your airbrush tan. You'll feel like you just returned from a tropical vacation, and look amazing for your night out. There will be snacks and drinks for you while you wait, and we'd love for you to join us. Can't wait to see you there! Please RSVP with the Leasing Office ASAP.

New Release DVD's

Did you know that you have newly released movies at your fingertips at your very own leasing office? Well now you know! Each month we receive a new shipment DVD's. All you do is pick out a movie, sign it out and it is yours free for 24 hours.

FAMLI Volunteer Program

Our residents are connected with family and friends, their communities and people in need. We know how important this is for our residents, so we have created ways to make sure they can be connected. One of these ways is our FAMLI Volunteer program. AMLI created the FAMLI volunteer program to connect AMLI residents and employees with local non-profit organizations. FAMLI volunteers have opportunities to participate throughout their communities.

Whether you have one day a week or one hour a month, the FAMLI volunteer program can connect you with opportunities to share your time and talents and meet some new neighbors. This year, AMLI at Milton Park is forming a resident volunteer committee. Volunteer committees will assist the leasing office team with coming up with ideas and/or implementing the ideas to raise money for our volunteer event. If you would like more information on volunteer activities at your community please contact the leasing office at 678.867.7272. We look forward to hearing from you and giving back to our community!
