Fun Irish Facts!

Did you know there are 4 places in the U.S. named Shamrock? The shamrock is the floral emblem of Ireland. Mount Gay-Shamrock, West Virginia and Shamrock, TX were the most populous with 2,623 and 1,841 residents. Shamrock Lakes, Indiana has 162 residents and Shamrock, Oklahoma with 125. There are also 9 places in the United States that share the name of Ireland's capital, Dublin. Since Census 2000, Dublin, CA has surpassed Dublin, OH as the most populous of these places. If you are still not in the spirit of St. Patrick's Day after stopping by one of the places named Shamrock or Dublin then you might consider paying a visit to Emerald Isle, North Carolina with 3,686 residents.
