Welcome Fall

We want to remind everyone that daylight savings time is November 1st! Roll those clocks back one hour before you go to bed and enjoy your extra sleep! We've changed out our landscaping to fresh fall flowers and hope everyone is enjoying the new colors of the property. Please stop by to give us any suggestions or concerns you may have going into this winter as we want to make everyone happy to be an AMLI resident!

Need Some Advertising?

AMLI at West Paces has decided to lend a helping hand to our residents. For those who own their own business or want to start one up, this is for you! Each month we will feature a business that is owned or operated by a current resident. If you are interested in doing this please come by the office or ask for Kate and she will explain the details! This month we are featuring a company called "Make the Date" read on to find out more...

"Make the Date"

This is a company that strives to meet the needs of anyone who needs help putting together a function. Whether it is catering, decorating, or total party planning, these are your girls. The first meeting is free and centers on discussing the overall picture and basic outline of the event or party. Once the ladies have a feel for the type of event you would like to throw the sky is the limit for what they can do! From planning what to serve, how to set up, to making floral arrangements and what to wear they can do it all. Ask the office to see pictures of what they have done for AMLI events!! Contact them through Kate or Ann Marie in the leasing office.
