

NOVEMBER 2009

Resident Life

A MONTHLY RESIDENT UPDATE

AML I at Lantana Hills **7601 Rialto Blvd.; Austin, TX 78735** **512.899.3400**

Breakfast at The Gates

Tuesday, November 3rd is Election Day *and* National Sandwich Day! We have “elected” to hold our monthly resident brunch at the gates! We will meet you at the back exit gate from **7:30a.m. – 9:00a.m.** with a steaming hot breakfast sandwich and ice cold juice to get your day off to a great start as you head off to work or school.

Win Valet Trash Pickup

Building 19 was the winner of last year’s valet trash pickup food drive contest...will they win it again? We will be collecting non-perishable food donations in the office to help benefit the Capital Area Food Bank. The building with the most donations received by **Tuesday, November 24th** will win valet trash pickup every week for the month of December! Along with food items, we will also accept monetary donations. For every \$5 donated, the food bank is able to provide \$20 worth of nutritious food to Central Texas families. Please stop by the office to make your donation to help those in need.

Thank You!

Your AMLI FAMLI wants to thank those that donated to the Susan G. Komen for the Cure foundation! Thanks to your generosity, we are one step closer to a life where your mother, daughter, sister or friend doesn’t have to worry if she will be the one out of eight women diagnosed with the disease. Please don’t forget that donations can be made year-around at www.komen.org

Eyes of Hope

Vision Service Plan (VSP) is partnering with AMLI Residential to promote the Eyes of Hope Program. This program serves over a billion people globally who cannot afford or do not have access to eyewear. Donated glasses will be refurbished, cleaned, and labeled to benefit those in need. Please bring your used glasses to the office and donate them to a worthy cause!

A Few Reminders...

The leasing office will be closed on **Thursday, November 26th** for Thanksgiving Day. We will resume normal business hours on Friday, November 27th. If you have an emergency, please call 911. For all maintenance emergencies, please call the office at 512.899.3400 and select option 3 to page a service technician.

As the cooler weather approaches please be aware that when you turn on your heater for the first time since last season, you may notice a slight burning smell. This smell is caused by the dust that has settled onto the heating coils throughout the year and is nothing to be alarmed about. If you feel that there is a greater concern, please do not hesitate to call the office and we will send over a service technician. Also, don’t forget to change your air filters! Filters should be replaced approximately every 30-60 days. Air filters are available in the office for your convenience or you may submit a service request and we will replace them for you!

The Answer Is...

Many of you have asked us to let you know the answers for the guessing games we hold in the office. The number of M&Ms in the jar for October was 260! Congratulations to our winner!
