Valentine's for Veterans

Friday, February 3rd from 4:00 – 5:00 p.m.

Help the Chicago AMLI communities show appreciation for those who have served in the military this Valentine's Day. Last year AMLI collected over 400 Valentine Cards for patients at the **Edward Hines, Jr. VA Hospital**. We need your help to brighten the hearts of our heroes again! Join us at the clubhouse February 3rd at our Valentine's card creation station. Bring your creative minds to make some fabulous Valentine's Day cards for our Veterans. Sweet treats will be served. Volunteers from AMLI will be hand delivering your Valentines on **Sunday, February 12th**.

Freeze Warning

Frozen water lines can cause extreme stress on pipe material and cause them to burst which can cause flooding and damage. Here are some tips on how to keep pipes from freezing:

- The temperature inside your home should be at least **65 degrees**.
- Keep entry heater on (2 and 3 story apts only) in order to keep sprinkler pipes in entry from freezing.
- Open cabinet doors under sinks to expose warm air to your pipes and supply lines.
- Do not leave garage doors open for long periods of time.
- Turn on faucets to allow a slow drip.
- Notify us immediately if you notice a substantial drop in pressure or a complete loss of water at any time.

Resident Referral

Who doesn't want their friend to be their neighbor? If you love living at AMLI at River Run, you should refer your friends and family members to live here too. We are currently offering a resident referral program. If you refer a friend or family member to live here and they lease and move in, **you will receive \$300!** Take advantage and cash in on this opportunity!

Groundhog Day

The famous Groundhog Day is approaching us on **February 2**. At **7:20 a.m.** Phil the Groundhog will leave his burrow at Gobbler's Knob in Punxsutawney, Pennsylvania. Phil will observe the weather conditions and look for his shadow he will then make his prediction for the remainder of winter. Remember if Phil sees his shadow, there will be six more weeks of winter weather. If he does not see his shadow, we get to celebrate an early spring!! Let's all keep our fingers crossed for an early spring this year!
