### SOS Children's Village

As many of you have heard, we have been accepting donations for the SOS Children's Village in Lockport, IL. For those of you who may not know, SOS Children's Village is a not-for-profit organization that provides foster care for orphaned children. They provide housing, food, clothes, education, etc., and they have full-time foster parents that take care of these children in housing with a family-like setting. We will be continuing to accept donations through the month of March. All donations can be dropped off at the office here at River Run. We are currently accepting **paper products, non-perishable food items, Xbox 360 games, school supplies, batteries, kids DVDs, light bulbs, toiletries, and other items**. Call the office for more details. Also a special thank you is in order for our residents Stephen and Evelyn for their generous donations!

### Resident Referrals

How about an extra **\$500** to spend on summer gear or whatever you desire? Well, refer a resident to our community, and all your desires will come true! If you refer someone to AMLI at River Run and they are approved to lease here, you could get a check for \$500! If you refer two residents, you could get a check for \$500 for each one for a total of \$1000! The referral checks can not exceed \$1000 in a given calendar year, but if your rent is less than \$1000, you will receive referral bonuses totaling the amount of your rent (Example: Rent=\$950 would equal a total allowable referral bonus totaling \$950 in a calendar year). So tell your friends how much you love it here at AMLI, and we'll pay you for it!

### Resident Activities

We want your ideas! We love to host events for our residents, but we really want to hear from you. What would be fun for YOU? If you have some great ideas, call us at 630.922.6970 or email at [riverrun@amli.com](mailto:riverrun@amli.com). We will do our best to make them happen.
