Then sit back, relax, and watch your Seven Bridges Staff cook your signature pizza on an open flame! Sounds good right? All you need to bring is an empty stomach! Space is limited so please **R.S.V.P.** with the leasing office by **September 12<sup>th</sup>**!

### Car Trouble

As you may have recently noticed, moving season here at Seven Bridges is in full swing! As a result, our outdoor parking has become a little congested. In order to alleviate some of your stress, we have extended our **Super Summer Special Pricing** on our indoor garage spaces! Just think, you can have your own individual reserved spot just a quick elevator ride away! No more juggling groceries and packages as you negotiate your way across a crowded parking lot! No more scratching your head trying to remember where you parked the night before! Stop by the leasing office to inquire about this great deal before it's too late! Lastly, though we realize everyone enjoys occasionally having company over, unfortunately we don't have room for everyone. Visitors are required to park in the marked **visitor parking**, which is located behind buildings **6520** and **6450**. Also, guests that will be staying for more than 24 hours are required to have a guest pass which can be obtained from the leasing office. If you have any questions about the current parking policy, please contact the leasing office for further clarity.

### The Pool is Still Open

Though summer is quickly winding down, we're happy to say that our pool is still up and running! Unlike other communities we like to keep our pool open over Labor Day and beyond! To put it in a nutshell, as long as the weather cooperates, so do we! Keep the winter weather blues at bay and take advantage of the pool today!
