### **Glass Slipper Project**

Make room in your closet and help a worthy cause at the same time! Would you like to help a young woman who cannot afford to buy a dress for her high school prom? The Glass Slipper project is a volunteer effort to match every “Cinderella” in Chicago’s schools with a beautiful dress to wear to “the ball”. We will collect gently-worn formal dresses, bridesmaid dresses, prom dresses, shoes, evening bags, jewelry and unused make-up. As of today’s date they have succeeded in providing more than 7,000 students with free prom attire. Dresses and accessories in excellent condition may be dropped off anytime until **March 14<sup>th</sup>** in the AMLI at St. Charles Clubhouse. For more info call Glass Slipper Hotline at 312.409.4139 or visit [www.glassslipperproject.org](http://www.glassslipperproject.org).
