Coloring Contest

AMLI at Windbrooke is having a coloring contest in the month of March. Stop in the leasing office and pick up a coloring page and have some fun. We cannot wait to see just how wonderful and bright these pictures are going to be. Once you are finished drop it off in the office and get a special prize.

Helpful Hints

Sometimes it is so hard to get your garbage disposal to smell fresh and clean. Here is a simple hint that will help you out, throw some ice down the sink once in a while. Ice will not sharpen the shredders (as is commonly believed); however, it will knock off any debris build-up on the sharp edges that keeps them from grinding food properly. Next dispose orange peels or any citrus rinds to help freshen the disposal and keep it smelling clean (cut them into slices first as large pieces of citrus peel can jam a disposal). This is an easy fix for your wonderful home.

You Love It Here, Tell Your Friends!

You know just how wonderful AMLI at Windbrooke is so share that with your friends and co-workers! Let them know how much you love calling us home. Have them come in for a tour of our wonderful community and hopefully they will choose us for their new home. This is a win/win for everyone. They get a great new home and you will get **\$500** for referring them 30 days after they move in.

Parking Lot

The Windbrooke staff wants to remind everyone that any vehicles that are in disrepair, has an expired tag or are inoperable will be towed from the property. Your vehicle will be tagged with a warning notice and if the problem is not corrected within 24 hours the vehicle will be towed at the vehicle owner's expense. If you are experiencing vehicle problems please alert the management office immediately.
