A MONTHLY RESIDENT UPDATE

AML I at Bryan Place **910 Texas Street; Dallas, TX 75204** **214.515.0322**

March Madness

We will be watching the opening round of March Madness in our media room on Tuesday, March 16th. We will be providing food for you and your guests. Please feel free to bring your own beverages. We have plenty of room, so invite your friends and family to watch with us! A reminder email will be sent out a week in advance. Please RSVP to bryanplace@amli.com or call the leasing office. We look forward to seeing you there!

Happy St. Patty's Day

The 31st annual Greenville Avenue St Patrick's Day Parade is coming up. The festivities will begin at 11 am Saturday, March 14th. The entire event will last about ten hours. This included the pre-parade and post-parade activities. There will be approximately 100 floats and 100,000 in attendance. The parade will start at the Sam's Club on Park Lane and end at Yale Blvd. After the parade, the Old 97's will be in concert in the Central Market parking lot. The parade is produced by The Dallas Observer and there is more information on their website at www.dallasobserver.com/stpatricksdays. There is a lot of fun to be had at this event!

Crime Watch Meeting

We want to ensure that we are all as educated as possible on crime prevention in our neighborhood. To help with that, we will be hosting a crime watch meeting with our local police department to educate our residents on what to look for. The meeting will start at 6:00 Wednesday, March 10th. We will provide free pizza for our residents. This is a very informative meeting on a very important topic, so we suggest that everyone try to make it. Please RSVP to bryanplace@amli.com

New Hours

We are excited to announce that the business center will now be open 24 hours, 7 days a week. Residents will have access to free internet, copy, and fax at any hour of the day or night. You will need to bring your access card with you to get in after business hours. The door will remain closed, so please close it behind you when you leave. Please treat the equipment with respect so that we may continue to allow 24/7 access.
