Schedule for Upgrades to the property

We have successfully completed the installation of the new roof as of February 24th. Thank you for working with us in helping us know if something was damaged to the property. We are very excited to announce additional new improvements that are going to take place within the next few months. Starting in April, we will remove all of the Magnolia trees, except for four in the pool area, and replace them with large pots with plants. More landscaping will be done throughout the courtyard. We will also be creating a leash free dog run for your furry friends to enjoy. More seating will be added to the courtyard with grills and a large cedar arch. The exterior and interior of the property is completely being repainted and the clubhouse and all offices are going to be remodeled. Please look for upcoming emails from the property to get up to date information on when these projects will start and when we hope to finish. Please feel free to give the office a call with any questions you might have. We are very excited about making AMLI at Cityplace the best property in Dallas.

Resident Satisfaction Survey

The 1st 25 residents to fill out the Resident Satisfaction Survey in the leasing office will receive a gift card to the retailer of their choice. Come down to the leasing office when you receive the email from AMLI asking you to participate in the survey and we will help you log on and take the survey. We will in turn give you a gift card to whatever favorite store or restaurant that you may have. The survey will be kicking off its first week on March 2, 2010 so remember to save the date!

Safety Seminar

Please join us on March 16th for our Safety Seminar. Not only is this a wonderful opportunity for you to get involved with what is going on in our community, but this is also a great chance to address any concerns you may have. Our on site courtesy officer will also be in attendance at the meeting and he would be happy to answer any questions. The meeting will be held 5:30pm to 6:30pm on Wednesday, March 16th in the Cityplace resident lounge. We encourage you to come and get involved with our community.
