Happy New Year!

It's been another fabulous year at AMLI at Fossil Lake and we wanted to say "thank you!" to all of our residents for everything you have done for your community this year! You have donated many great toys for tots, participated in the pet food drive, you sent local students to school with the supplies they needed most, and you helped raise nearly \$20,000 for breast cancer research and education! Thank you again for all of your participation, we look forward to many more community service projects in 2012.

Resident Brunch

Join us in the Social Hub on **Saturday, January 21st from 10:30a.m. to 12:00p.m.** – we will be serving a delicious brunch of fresh fruits, assorted breakfast sandwiches, and mouthwatering pastries. Grab a plate to go or stay and mingle with your neighbors, but come early for the best pastries!

What's Your New Years Resolution?

Did you know the first recorded New Years resolutions were made by the Babylonians around 4000 years ago? Most commonly, they revolved around returning any borrowed farm equipment, as their New Year coincided with the start of their farming season. Today, we still set New Years resolutions, but only 8% of Americans actually keep their resolution successfully through the entire year. They are almost always based around self-improvement resolutions and goals. The most common resolutions include losing weight, quitting smoking and/or drinking, and improving your finances. Whatever your goal for the year may be, we want to wish you a happy and prosperous 2012!

Nest Egg Program

If you are planning to buy or build your own home one day, you are already on your way! As an AMLI resident you are accruing equity towards a down payment on a brand new KB Home – 20% of your rent automatically goes toward your Nest Egg each month. If you would like to find out how much you have already saved, just call or stop by and we will prepare your certificate. For more information on KB Homes, please visit www.kbhome.com
