Wednesday Happy Hour at Humberdinks (Richardson)

Come have a drink with us on **Wednesday, February 15th** at Humberdinks in Richardson at **6:30p.m.** Our neighbors at AMLI Breckinridge Point and AMLI Galatyn Station will be joining us, so we will have a great group of people to mingle with. Humberdinks is located at *1601 North Central Expressway*. We will take care of the appetizers for everyone and your first drink is on us! Feel free to bring your significant other or some friends! Please RSVP with your apartment number and the number of guests you will be bringing by emailing Frankford@AMLI.com.

Be a Charmer and Win \$50

“If beauty were time, you’d be eternity.” We’ve heard them all! Email us your most charming pick up line, or a line that someone has used on you, by **Monday, February 13th**. We will post your lines to our facebook page and the pick up line with the most ‘Likes’ will win a \$50 gift card to take someone out!

Just a Reminder

This is just a reminder to be careful while driving through the community. We would hate to for any of our residents to be involved in an accident. The speed limit throughout the community is 10 MPH, please only use the entry gates for entering the community, and do not use the mail center as a short cut.

Mario’s Toolbox

If your kitchen garbage disposal stops working, there is a reset button located at the bottom of the disposal (black cylinder box) located under your kitchen sink. For best use of your disposal, please do not put bones and fibrous vegetables down the disposal. Do not hesitate to place a service request if you continue to have trouble.
