Community Awareness Tips

Take a few minutes to review a few of our community awareness tips. Together we can continue to make AMLI Upper West Side a fantastic place to call home.

- Please remember to pick up after your pets. There is Pet Potty stations located in the SE and NW corners of the property. If the stations are out of bags, please use a personal bag and inform us that the bags need to be refilled.
- Please turn car stereos to a low volume when entering the garage. Sound carries very easily in our parking area, so we need to be courteous of all residents.
- Continuing on with noise volume, please remember to keep all TV's stereos and other devices on a reasonable volume at all times and low volume at night. Heavy bass and other noises can travel through walls if too loud. We should remember that all residents are not on the same time schedule and could be sleeping during the day.

Happy Hour

Please join us **Tuesday, January 24th** at Frankie's Sports bar from **6:00p.m. - 7:30p.m.** Come enjoy FREE pizza with your fellow AMLI neighbors! Please RSVP by Monday the 23rd. Hope to see everyone there!
