### Pool Time!

Construction on the pool is coming to a close and the pool is opening soon! We just want to give a few quick reminders to keep our pool area safe and fun for everyone. The pool hours are 10am to 10pm; please remember to have your AMLI key chain or black key fob with you! Also, keep in mind we are a **Breath Easy** community in all common areas. What this means is, AMLI Residential proudly offers smoke free common areas. This will be creating a healthy and clean environment for our residents. If you're planning to have a get together or invite more than a couple of friends and family to the pool, be sure to call the office and give us a heads up! For your safety and the safety of those around you please refrain from bringing any glass into the pool area! Be sure to head out to the pool and soak up the sun! We are excited to see all of you enjoying the beautiful Colorado summer!
