Resident Social

Summer time is near! Join us Friday, **May 18th 6:30pm to 9:30pm** for our 2nd Annual AMLI on the plaza BBQ! We will be grilling up some great food and have plenty of refreshments. Unwind with music, good food, and good company. Hope to see you there!

Hallway Renovation

Hallway renovations have started. We apologize for the appearance of the hallways, and apologize if the project has caused any inconvenience. We estimate the larger building to be done by the end of May and the smaller building should be finished mid June. We are excited about the final outcome and are sure you will be pleased as well.

Cinco de Mayo

Happy Cinco de Mayo! Fun Facts about Cinco de Mayo: Cinco de Mayo is often confused for Mexican Independence Day. Cinco de Mayo is actually the Mexican Holiday celebrating the battle of Puebla which took place, May 5, 1862.

Celebrate Cinco de Mayo at The Famish Frog's after work fiesta on **May 5th from 6pm to 8pm**. Famished Frog is located at 18 Washington St.
