

April 2012

What's Happening?

A Monthly AMLI Community Update

AMLI at Ibis

8300 Ibis Reserve Cir; West Palm Beach, FL 33412
561.630.9993

Hug-A-Building

Our annual Hug-A-Building Program is in full throttle! And your building could be next! Each week, we will be cleaning the stairwells and breezeways of a particular building and then on Fridays, we will deliver a special "Thank You" gift to every front door of that building. We will also be placing "Just Checking" Hangers on the door knobs of the selected building that will give you the chance to request any work orders that you may need inside of your apartment. We will continue the program until the entire community is completed. Be on the look out for your special hug!

April Events

HAPPY EASTER! AMLI at Ibis' Annual Egg Hunt will take place on **Saturday, Apr 7th at 9:30am**, and we'll have a special guest, the Easter Bunny! Bring your cameras for this great photo op! We'll all meet in the back field behind buildings 10300 and 10500, and will begin the hunt together at **9:30am sharp!** After all the eggs have been collected, we will have time for everyone to get a picture with the Easter Bunny. Please don't miss the fun, as this is one of our favorite resident activities! Remember to bring your basket for all those eggs!

Sunday, April 8th our office will be closed for the Easter holiday. We will reopen on Monday at 10am. For maintenance emergencies, please call 561.630.9998 and follow the prompts.

Community Garage Sale on Saturday, April 21st! Welcome Spring with a fresh new start. Out with the old and in with the new! We will be running an ad in the Palm Beach Post for the garage sale prior to the 21st. Sell whatever you'd like to, clothes, equipment, furniture, books, toys, etc. The hours that will be advertised will be 8am until 1pm. Get ready to make sum extra cash!

Community Projects

First, we would like to give everyone a huge "Thank You" for being so patient and understanding as we work through the many community improvement projects that have been completed. The second phase of our landscape renovation is almost complete! The foliage in front of the Clubhouse has been completely redone and looks sharp! Also, there has been new landscaping added all throughout the community and new potted plants are being added in the pool area.

Upcoming Project: Asphalt Re-sealcoating- Please be on the look out for communication and barricades as parking will be restricted in certain areas at different times.
