

AMLI Lofts

With a Walk Score of 98 and a Transit Score of 100, our South Loop luxury apartments in Chicago provide easy access to everywhere our residents want to go. AMLI's brand new downtown Chicago apartments are steps from The Loop, the Central Business District, and even closer to educational institutions such as Columbia College, DePaul University, Roosevelt University and Harold Washington Public Library. With so many rail lines, bus lines, car shares and bike shares all within a mile, convenient transit options are endless!

Residents of AMLI's smoke-free Chicago apartments enjoy an array of community amenities including a resident lounge with fireplace and billiards area; expansive fitness center and yoga studio; business center; ultra high-speed internet; outdoor lounge with fireplaces and TVs; sport court; and much more. Our South Loop luxury apartments also offer a dog park, electric car charging stations and two parking garages. And when residents want to go for a ride, they can hop on a Divvy bike right outside our building.

Our downtown Chicago apartments offer convertibles, one- and two-bedrooms floor plans with soft loft contemporary interiors featuring exposed concrete and spiral ductwork, quartz countertops, stainless steel appliances, full-size washers and dryers, wood flooring, ten-foot ceilings, and awesome city views. Residents of our smoke-free Chicago apartments will live green because our community is LEED Silver certified.
